Complainant Mark Krausse, Executive Director of the Fair Political Practices Commission, hereby submits this Default Decision and Order for consideration by the Fair Political Practices Commission at its next regularly scheduled meeting.

Pursuant to the California Administrative Procedure Act,¹ Respondents Armando Rea and Citizens to Elect Armando Rea have been served with all of the documents necessary to conduct an administrative hearing regarding the above-captioned matter, including the following:

1. A Finding of Probable Cause;
2. An Accusation;

¹ The California Administrative Procedure Act, which governs administrative adjudications, is contained in sections 11370 through 11529 of the Government Code.

3. A Notice of Defense (Two Copies);
4. A Statement to Respondent; and,
5. Sections 11506, 11507.5, 11507.6 and 11507.7 of the Government Code.

Section 11506 of the Government Code provides that failure by a respondent to file a Notice of Defense within fifteen days after being served with an Accusation shall constitute a waiver of respondent's right to a hearing on the merits of the Accusation. The Statement to Respondent, served on Respondents Armando Rea and Citizens to Elect Armando Rea, explicitly states that a Notice of Defense must be filed in order to request a hearing. Respondents Armando Rea and Citizens to Elect Armando Rea properly filed a Notice of Defense within fifteen days of being served with an Accusation. Prior to a hearing being held in this matter, Respondents Armando Rea and Citizens to Elect Armando Rea were served with an Amended Accusation and withdrew their Notice of Defense.

Respondents Armando Rea and Citizens to Elect Armando Rea committed fifteen violations of the Political Reform Act, as described in Exhibit 1, which is attached hereto and incorporated by reference as though fully set forth herein. Exhibit 1 is a true and accurate summary of the facts in this matter.

This Default Decision and Order is submitted to the Commission to obtain a final disposition of this matter.
